CERTIFICATION OF CONTINUED AGRICULTURAL USE

The purpose of this form is for the property owner or property owner's agent to certify that the listed property, undergoing an orchard or vineyard removal, will remain a commercial agricultural operation. District Rule 4103 – *Open Burning*, and Section 80100 of Title 17, Code of California Regulations, provides for the open burning of agricultural materials produced wholly from agricultural operations in the growing and harvesting of crops or the raising of fowl or animals for the primary purpose of making a profit, providing a livelihood, or conducting agricultural research or instruction by an educational institution. Land conversions intended for non-agricultural purposes are not eligible for burn authorizations or permits.
