- 5.3 Points for ETRIP measures applied to Excluded Employees or exempt worksites
 - 5.3.1 An employer can earn prorated ETRIP points for a worksite by applying ETRIP measures to Excluded Employees or exempt worksites. The employer will complete an Extra Points analysis to determine the total points for measures available to these employees.
 - 5.3.2 Extra points are prorated for each ETRIP measure, up to the assigned point value, as specified in the following equation:

Extra Points = $(EE \div Tier Threshold) \times Points for the ETRIP measure$

Where EE = the total employees and for whom an ETRIP measure is applied:

- (a) who are Excluded Employees or
- (b) who work at exempt worksites

Tier Threshold = 100 for Tier 1 Worksites and 250 for Tier 2 Worksites

If (EE \div Tier Threshold) is greater than 1.0, substitute 1.0 for (EE \div Tier Threshold)

5.3.3 The Extra Points can be applied to a worksite's ETRIP in the "Additional Points Needed" category only (see Section 5.1).

6.0 Administrative Requirements

6.1 Employer Registration

No later than July 1, 2010, or within 180 days after becoming subject to the trip reduction requirements of this rule, whichever is later, employers subject to the trip

reduction requirements of this rule shall submit a complete Employer Registration form to the APCO.

- 6.1.1 As part of the complete Employer Registration form, employers shall provide the following information:
 - 6.1.1.1 Employer's business name and mailing address.
 - 6.1.1.2 Separate identification of each worksite, including location address.
 - 6.1.1.3 The employer's designated Employee Transportation Coordinator name(s) and telephone number(s) for each worksite.
 - 6.1.1.4 The total number of employees reporting or assigned to each worksite, the total number of Eligible Employees, and the total number of Excluded Employees.
 - 6.1.1.5 The trip reduction measures from Table 2 that are already in place.

6.2 Employee Notification

Employers shall facilitate the participation of employees and employee organizations in the development of Employer Trip Reduction Programs by providing information to its employees explaining the requirements and applicability of this rule to the employer and its worksite(s) prior to or at the time of registration.

6.3 Employer Trip Reduction Implementation Plan (ETRIP)

Employers shall prepare and submit an ETRIP for each worksite to the APCO, according to the schedule in Table 1. Each ETRIP shall be implemented according to the schedule in Table 1 or 30 days after APCO approval, whichever is later. The ETRIP shall be updated as necessary annually thereafter as included in the Annual Report.

- 6.3.1 The ETRIP shall contain a checklist of the measures chosen from each trip reduction strategy and the point total for each as listed in Section 5.0, according to Table 1 and Table 2.
- 6.3.2 An employer may submit a single ETRIP that covers multiple worksites when those worksites are using the same ETRIP measures. If worksites are

- using differing ETRIP measures, then each worksite should have its own ETRIP.
- 6.3.3 The plan shall be signed by the highest ranking responsible official of the employer at the worksite or each worksite when a consolidated plan is submitted that covers multiple worksites. The official shall certify that the information provided is correct and that the commitments for the selected measures will be fulfilled according to the implementation schedule in the plan.
- 6.3.4 Employees shall be notified, in writing, of the content, implementation schedule, and availability of the ETRIP at least ten (10) calendar days prior to the submittal of the ETRIP to the APCO.
- 6.3.5 Employers shall keep records of steps taken to implement measures chosen to be included in the ETRIP on file for at least five years and shall make the records available to the APCO and United States Environmental Protection Agency (EPA), upon request.
- 6.3.6 Employers may modify ETRIP as necessary throughout the year and submit those revisions to the APCO within 30 days after implementation.
- 6.3.7 Failure to implement the measures stated in an APCO-approved ETRIP or failure to comply with the administrative requirements constitutes a violation of this rule.
- 6.3.8 The APCO shall act on ETRIPs within 45 days of submittal.
- 6.3.9 An employer shall revise and resubmit to the APCO any disapproved plan within 90 days of the disapproval. Disapproval of a resubmitted plan constitutes a final disapproval. Failure to submit a revised plan or final disapproval of the revised plan is a violation of this rule.
- 6.3.10 An employer may appeal any APCO disapproval of its ETRIP pursuant to the procedures listed in Regulation V (Procedures Before the Hearing Board).
- 6.3.11 An employer shall revise and resubmit its ETRIP within 90 days of a final determination that an element of an approved ETRIP violates any provision of law issued by an agency or court with jurisdiction to make such a determination.

6.4 Commute Verification

- 6.4.1 For the calendar year beginning in January 1, 2014, and at least annually thereafter, employers shall collect information on the modes of transportation used for each Eligible Employee's commutes both to and from work for every day of the Commute Verification Period, as defined in Section 3.0, using either the Mandatory Commute Verification Method or a Representative Survey Method as described below:
 - 6.4.1.1 Mandatory Commute Verification Method: The employer shall distribute Mandatory Commute Verification Forms to all Eligible Employees and require their completion and return by each Eligible Employee. The employer may utilize the example shown in Figure 1, other equivalent forms or electronic methods provided or approved by the APCO.
 - 6.4.1.2 Representative Survey Method: The employer may propose an alternative data collection approach that will collect data from a representative sample of Eligible Employees.
 - 6.4.1.2.1 The employer shall submit its sampling methodology to the District 120 days prior to the start of the calendar year in which the employer intends to use the method.
 - 6.4.1.2.2 The APCO shall notify employers of its approval or disapproval of this method within 60 days of receipt.
