

RESIDENTIAL REBATE PROGRAM GUIDELINES

The Clean Green Yard Machines Residential Rebate Program provides two options for rebates to Valley residents. Option 1 is for the replacement of old gas- or diesel-powered lawn mowers with eligible new electric lawn mowers and Option 2 is for the purchase of new electric powered lawn care equipment with no old equipment being turned in. Applications are processed on a first-come, first-serve basis while funds are available.

ELIGIBLE REBATE AMOUNT

The rebate is based on the purchase price of the electric equipment and does not include additional costs such as taxes, fees, accessories and delivery charges. For Option 1, enhanced incentives are available to residents of selected AB 617 Communities. Please visit valleyair.org/cgym to see if you qualify.

Option 1 Purchase of new electric lawn mower (*destroying old mower*):

PURCHASE PRICE	REBATE AMOUNT (VALLEY WIDE)	AB 617 COMMUNITIES
*\$200 or less	Up to \$100	100% of the Cost
\$201 to \$350	\$150	100% of the Cost
\$351 or more	\$250	100% of the Cost (up to \$500)

*Applicants are responsible for a minimum of 50% of the purchase price for mowers in this range.

Option 2 Purchase of new lawn care equipment (*no old equipment being destroyed*):

EQUIPMENT TYPE	PURCHASE PRICE	REBATE AMOUNT
*Lawn Mower, Edger, String and Hedge Trimmers, Chainsaw and Pole Saw	Less than \$100	\$25
	More than \$100	\$50

*Leaf blowers are not eligible. Applicants are responsible for a minimum of 50% of the purchase price. Rebates are based on the purchase price of one electric equipment with 1 power unit, 1 battery, and 1 charger but does not include additional costs such as taxes, fees, accessories, attachments and delivery charges.

REBATE PROCESS

- Option 1:**
- 1 Purchase an eligible new lawnmower.
 - 2 Within 30 calendar days from the date of purchase, take your old lawnmower to a participating dismantler. Please contact a participating dismantler prior to delivery to verify the facility's requirement (i.e. fluids drained, etc.) before taking it to the facility. They will inspect the old mower and provide you with a Destruction Verification Form.
 - 3 Complete the rebate application and submit it to the District along with a copy of the Destruction Verification Form and receipt or invoice for the new lawn mower.
- Option 2:**
- 1 Purchase an eligible new lawn mower, edger, trimmer, chainsaw, or pole saw.
 - 2 Complete the rebate application and submit it to the District along with a copy of the receipt or invoice for the new electric equipment.

Please allow approximately 4 weeks from the time the District receives your completed rebate application to issue you a rebate.

RESIDENTIAL REBATE PROGRAM GUIDELINES

PROGRAM REQUIREMENTS AND ELIGIBILITY

- Applicant must be a resident at the address identified on the application.
- Applicant must reside within the Air District boundaries.
 - › Option 1 - Limit one (1) rebate per address for every two (2) consecutive years.
 - › Option 2 - Limit one (1) rebate per equipment type, per address for every one (1) year.
- Combo Kit with one power unit and multiple attachments is considered one equipment type.
- The rebate amount is based on the current retail price of the single piece of equipment, less the actual purchased price. Any remaining balance from the purchased price will be applied towards the next eligible equipment with a power unit.
- Applicant must submit a rebate application within six (6) months of the purchase date of the new equipment.
- The new electric equipment must be purchased with a power unit and from a manufacturer-authorized retailer or dealer. You can find a list of manufacturers here: www.valleyair.org/cgym.
- For Option 1, Applicant must turn in a fully functional old gas- or diesel-powered lawn mower to an approved dismantler for permanent destruction. Find an authorized dismantler here: www.valleyair.org/cgym.
- Applicant must maintain ownership of the new lawn care equipment for a minimum of two (2) consecutive years following the purchase date.

New Equipment must:

- Be new, not used or previously owned
- Be electric (corded or battery-powered)
- For mowers, Be a push or self-propelled specified for residential use
- Have a minimum one-(1) year manufacturer warranty

Lawnmowers that are not eligible:

- Reel mowers
- Riding lawn mowers
- Tractors used to pull mowing equipment
- Tow-behind mowers

Burn Cleaner is part of [California Climate Investments](#), a statewide initiative that puts billions of Cap-and-Trade dollars to work reducing greenhouse gas emissions, strength-ening the economy and improving public health and the environment — particularly in disadvantaged communities.
