Reimbursement Procedures Checklist

Please remember that the old bus must be scrapped by an approved dismantler within sixty (60) days of the receipt of the new bus. Do not take the old bus to the dismantler until you have notified SJVAPCD by submitting the Notice to Dismantle Form so that the post-inspection and dismantling inspection can be set up between SJVAPCD staff and the chosen dismantler.

This process will begin when you submit the Claim for Payment Packet and the required documents. These documents are available at <http://vwbusmoney.valleyair.org>. They can be submitted by emailing them to vwbusmoneyclaim@valleyair.org
