## CERTIFICATIONS

- I will disclose the value of any existing financial incentive that directly reduces the project cost, including tax credits or deductions, grants, or other public financial assistance for the same equipment, and will disclose any other source(s) of funding that has been applied for that is used for the same project, including the source of funds, amount, and the purpose for funding;
- I have reviewed the information provided in this application and all supporting documentation to be true and correct, and meet the minimum guideline requirements of the Clean Air Centers Pilot Program;
- I agree to follow all requirements of the Clean Air Centers Pilot Program Guidelines;
- I understand, if awarded funds, the resulting Clean Air Center will be required to operate and equipment to be maintain for a minimum period of 5 years to ensure the project achieves its intended purpose;
- Any additional non-Program funding needed to complete the equipment project according to the proposed timeframe is reasonably available;
- New equipment must **not** be purchased, received, installed, paid for, or placed into operation prior to contract execution, equipment owner shall assume all financial risk if equipment is ordered prior to contract execution, and is in no way assured program funds;
- New equipment purchased outside of California may be subject to California sales and/or use tax;
- I have all the information needed to understand what must be done to maintain eligibility for the Clean Air Centers Pilot Program funds.
- I understand, as an applicant, that incentive programs have limited funds and shall terminate upon depletion of program funding.

**I hereby certify that all information provided in this application and any attachments are true and correct to the best of my knowledge.**
