Please provide as much information as possible for the following questions. While this information is required for funding, your application will not be deemed ineligible if information is not immediately available. District staff will work with you to assist in completing the application.			
Please describe the clean alternative to fireworks that you are proposing to use for the event in this application (i.e., drones, laser lights, etc.), including the contractor(s) that you will be working with.			
What is the estimated duration of the clean alternative to fireworks portion of the show? Will the clean alternative to fireworks be used simultaneously with fireworks or have its own dedicated time?			
Describe the amount of fireworks that will be reduced by using the clean alternative to fireworks. For example, explain the number and/or types of fireworks that would be replaced by using the clean alternative to fireworks, etc.			

The following Certifications section must be signed by an authorized individual in the organization/business/agency that, if approved for funding, can enter into a legal binding agreement with the San Joaquin Valley Air Pollution Control District for their project, and make financial decisions and/or guarantees on behalf of the organization/business/agency identified on this application.

Certifications

*By signing this document, I certify that I have read the Community Incentives Clean Alternative to Fireworks Pilot Incentive Program Eligibility Criteria and Application Guidelines (Program Guidelines) and agree to **ALL** of its terms and conditions. Submitting an application to the San Joaquin Valley Air Pollution Control District (SJVAPCD) does not guarantee funding. Funding is awarded on a first-come, first-served basis for complete and eligible applications, until program funds are exhausted. If selected for funding, I agree to meet all of the requirements in the Program Guidelines.*

I hereby certify that all information provided in this application and any attachments are true and correct to the best of my knowledge.

Application Checklist

When submitting an application for consideration, please include all of the following documents. An incomplete application packet will lengthen the application processing time and delay incentive funding. A complete application packet includes the following items:

- ☐ Completed **Application** (Pages 1 - 3), no fields blank. Please type N/A for those fields not applicable.
- ☐ Itemized Quote for the Event. The quote must include contract costs for drone shows, laser lights shows, or other alternatives deemed eligible on a case-by-case basis, and local permitting costs.
- ☐ First page of IRS **Form W-9**. The name listed on the W-9 must match the name listed on the application. The form can be accessed on the IRS's website: <https://www.irs.gov/pub/irs-pdf/fw9.pdf>
- ☐ **For public agencies only: Resolution** from the Applicant's governing body (i.e. City Council or County Board of Supervisors), authorizing the submittal of the application and identifying the individual and/or title of the individual authorized to implement the clean alternative to fireworks program. Other documentation signed by a duly authorized official with authority to make financial decisions can be submitted in lieu of a resolution.
- ☐ **For businesses:** A copy of your **current business license**.
