San Joaquin Valley Air Pollution Control District

State Portable Equipment Registration Program (PERP)
Inspection Request

Article 5, Section 2460(b) of the California Code of Regulations (CCR) requires owners or operators of registered portable engines or equipment units to contact their Home District within 45 days of the initial registration or renewal date to schedule an inspection. The inspection shall be completed within one year of the initial registration or renewal date, at a time and place agreed upon in advance. Please complete all applicable sections of the form below. District staff will contact you within 30 days following receipt of this request to schedule the inspection.

Company Information
