City:	State:	Zip code:
Primary Contact Information		
First name:	Last name:	Title:
Phone number:	E-mail:	
Signing Authority Information		
First name:	Last name:	Title:
Phone number:	E-mail (required):	

Section 2 – Disclosures

Has your organization previously participated in <i>any</i> of the Valley Air District's grant programs? <input type="checkbox"/> No <input type="checkbox"/> Yes
Have you applied for or received funding from another program or agency for the purchase and/or installation of the charging/fueling equipment you are including in this application? <input type="checkbox"/> No <input type="checkbox"/> Yes

CERTIFICATIONS

- I will disclose the value of any existing financial incentive that directly reduces the project cost, including tax credits or deductions, grants, or other public financial assistance for the same fuel station, and will disclose any other source(s) of funding that has been applied for that is used for the same project, including the source of funds, amount, and the purpose for funding;
- I have reviewed the information provided in this application and all supporting documentation to be true and correct, and meet the minimum guideline requirements of the Clean Vehicle Fueling Infrastructure Program;
- I have read and agree to follow all requirements of the Clean Vehicle Fueling Infrastructure Program Guidelines;
- Neither the applicant, owner nor equipment identified in the equipment project application has any outstanding violations or non-compliance with San Joaquin Valley Air Pollution Control District regulations. If violations or non-compliance is found this application may be ineligible;
- Any additional non-Program funding needed to complete the equipment project according to the proposed timeframe is reasonably available;
- New equipment must **not** be purchased, received, installed, paid for, or placed into operation prior to contract execution unless specified by the Program Guidelines, and if allowed, equipment owner shall assume all financial risk if equipment is ordered prior to contract execution, and is in no way assured program funds;
- New equipment purchased outside of California may be subject to California sales and/or use tax;
- **Check those that apply:**
 - This project will comply with all AB 841 (2020) requirements and as described in Sections V.F, G, and H of the Clean Vehicle Fueling Infrastructure Program Guidelines. Prior to performing any electrical vehicle infrastructure or equipment installation work funded or authorized under my Grant Agreement, I will provide the San Joaquin Valley Air Pollution Control District with the Electric Vehicle Infrastructure Training Program (EVITP) Certification Numbers of each EVITP certified electrician that will install electric vehicle charging infrastructure or equipment.
 - AB 841 requirements do not apply to this project, as described below (please check those that apply):
 - Electric vehicle charging infrastructure installed by employees of an electrical corporation or local publicly owned electric utility.
 - Electric vehicle charging infrastructure funded by moneys derived from credits generated from the Low Carbon Fuel Standard Program (Subarticle 7 (commencing with Section 95480) of Article 4 of Subchapter 10 of Chapter 1 of Division 3 of Title 17 of the California Code of Regulations).
 - Other, please explain:
- I understand that submittal of an application for Clean Vehicle Fueling Infrastructure Program funding does not guarantee funding.

Agreement Signing Authority

Date

ATTACHMENTS CHECKLIST

Attach the following to complete your application:

- One (1) Form A1 per application**
- One (1) Certifications Page** with signature by Agreement Signing Authority (Contract)
- First page of **IRS Form W-9**
- Form A2**, for each application
- Route map**
- Design documents** for the new equipment
- Dated and itemized** dealer quote for the new equipment and installation
- Documentation demonstrating that applicant can obtain all **required land use permits** from agencies needed to install and operate the station
- Documentation that **power is being provided to the site** (e.g. application, payment to the local utility company for power installation, or contract)
- Documentation demonstrating **ownership of the land on which the project will be located**, or control it through a long term lease, easement or other legal arrangement, for the duration of the project life
- For a project where the land is not owned by the applicant, an executed lease agreement or letters of commitment lasting for the duration of the project life must be signed by property owners/authorized representatives
- Resolution authorizing project implementation and designating a signing authority for the project from the governing body, or other documentation signed by a duly authorized official with authority to make financial decisions (Government agencies only)

PLEASE SUBMIT ALL COMPLETED APPLICATION PACKETS BY EMAIL or MAIL:

(Please choose one method of application submittal to avoid duplicate submittals)

Email: grants@valleyair.org (Preferred)

Mail: SJVAPCD Grants & Incentives, 1990 E. Gettysburg Ave, Fresno, CA 93726

(Subject line must indicate Clean Vehicle Fueling Infrastructure Program & business name)
