If you intend to purchase an electric heat pump, or participate in the fireplace decommissioning option, additional photos will be required. See Voucher Guidelines for more information.

AGREE & CERTIFY By signing this application, I certify that I have read, understand and will adhere to the Fireplace & Woodstove Change-out Program Voucher Guidelines and agree to all the following:

- I understand that the installation of a new device must be conducted by the contracted Retailer, where new device was purchased, or a third-party contractor affiliated with that Retailer and under their direct supervision. Self-installation, installation by non-licensed contractor or a third-party contractor not affiliated with that Retailer is not eligible under this program.
- I understand that submission of this voucher application **does not guarantee** incentive funding for the new device.
- I understand that it is my responsibility to verify that the new device is eligible under the program guidelines. New wood or pellet devices must be on the current list of EPA Certified Wood Heaters and new gas fireplaces must meet ANSI z21.88/CSA2.33.
- I will be removing an operable old device or modifying an open hearth fireplace at the device address specified on this voucher application.
- If applicable, I agree to surrender my old device to a licensed recycling/dismantling facility or to the participating retailer to dispose of at a licensed recycling/dismantling facility within **90 days** of installation of the new device. If I undertake the responsibility of disposing my old device, I agree to submit a dated receipt and certification from the dismantler/recycler that my old device will be permanently destroyed.
- I understand that if I install the new device in a location other than what is identified in the pre-installation photos at the device address, I must first contact District staff to receive approval and I must still render the old device permanently inoperable. At the time of claim, where I will be seeking reimbursement for the completion of my project, I will be required to provide additional documentation, such as additional photos, to confirm that the location of the old device can no longer accommodate a wood-burning device.
- I understand that the selection of a Fireplace & Woodstove Change-out retailer is completely my choice and the District does not endorse, or is not in partnership with any Fireplace & Woodstove Change-out program retailers or installers and any such issues arising from the purchase or installation of the new device is between the applicant and the retailer or installer. The District will not be held liable for any circumstances or events that occur between the applicant and retailer or installer. Participating retailers are independent contractors; they are not officers, representatives, agents, servants, employees, partners, associates, etc. of the District.
- I understand that this is a reimbursement program and I will not be reimbursed until the new unit is paid in full, completely installed, and a complete Claim for Payment packet is submitted to the District. For low-income applicants who are eligible for the Instant Reduction option, please see page 2 of the Voucher Guidelines for payment processing.
- I have not made any non-refundable payments towards the purchase of the new device or disassembled my old device, and will not install the new device until I have received an approved voucher from the District.
