

VERIFICATION OF VEHICLE DESTRUCTION FORM

Please complete and submit this form after SJVAPCD have completed the dismantling and post-inspection with the dismantler. Payment will be issued upon verification that the existing bus has been permanently removed from service through scrapping and the new, zero-emission replacement bus has been put into service.

“Scrapped” means to render inoperable and available for recycle, and, at a minimum, to specifically cut a 3-inch hole in the engine block for all engines and includes the disabling of the chassis by cutting the vehicle’s frame rails completely in half.

The grantee and dismantler must provide copies of all dismantling receipts, DMV Notice of Acquisition/Report of Vehicle to be Dismantled (REG 42), and any other documentation required by the SJVAPCD.

Agreement Number:	Entity:
Contact Name and Title:
